

Michele Blood Bio

Michele Blood is a successful, multi-talented lady. Michele was a rock singer in Australia and after a near fatal car accident, she created positive Affirmation Songs which not only healed her body but also took her to worldwide success. These Affirmation songs affect the left and right hemispheres of the brain. Lyrics, the left hemisphere, and melody and music, the right hemisphere so the new, positive messages go straight to the subconscious mind. This is why millions of people worldwide have downloaded her Affirmation Power songs. These songs cover healing, success, money, joy, confidence and they uplift the person immediately. In addition to creating Magnet To Success™ products and seminars worldwide, her public Mystical Success Events have been held in over 26 countries. Michele has co-written and created over 80 books, music CDs, audio programs, TV shows, and videos on positive thought, mind transformation, and meditation.

Michele has appeared in hundreds of podcasts, radio shows, and magazines globally. After many years of meditation Michele's Kundalini awakened and transformed her consciousness. Michele now teaches others how to live a Successful Life and experience Divine Oneness. Her Mystical Experience webinars and live streams have assisted people globally to transform their lives to the positive. Through her Teachings, Prayers and Light Transmissions people awaken and experience what they say is the impossible. They awaken to their true purpose and begin their path to Enlightenment. She has shared the stage and worked with Bob Proctor, Dr. Deepak Chopra, Dr. Wayne Dyer, Jack Canfield and many other transformational Authors and Teachers. Her latest book is The Magic Of Affirmation Power and her latest album is Create Miracles: Positive Affirmation Songs To harmonize your Mind and Life.
